H-005 GOVERNMENT DOWN TIME FOR ASC/CDS T&M CONTRACT  
CLAUSES (JUL 1997)

a. Base Closures Due to Emergencies. From time to time, the Center or Base Commander may decide to close all or part of the base in response to an unforeseen emergency or similar occurrence. Sample emergencies include, but are not limited to, adverse weather such as snow or flood, an act of God such as a tornado or earthquake, or a base disaster such as a natural gas leak or fire. Contractor personnel are "non-essential personnel" for purposes of any instructions regarding the emergency.

(1) Contractor shall be officially dismissed upon notification of a base closure in accordance with paragraph b. Contractor shall promptly secure all government furnished property appropriately and evacuate in an expedient but safe manner.

(2) With regard to work under the contract, the government shall retain the following options:

(i) Government may grant a time extension in each task order delayed by the closure equal to the time of the closure, subject to the availability of funds.

(ii) Government may forego the work. The contractor will not be paid for work not performed.

(iii) Government may reschedule the work on any day satisfactory to both parties.

(iv) The government may, in its discretion, permit the contractor to perform at an off-site location during the period of base closure if meaningful work can be accomplished. Contractor shall certify to the government by letter within 5 business days of returning to work the nature and scope of the work completed off-site. Contractor shall be permitted to bill the government at the labor rates identified in the contract.
